PRE-PREP:

We are very flexible regarding uniform in the nursery (PP1). The red tracksuit is essential but parents can choose the clothes their children wear to accompany it. Many parents opt for a white or grey cellular shirt and some choose a school jumper or simple grey cardigan. School skirts/dresses are also optional. We do not expect parents to buy black shoes for the nursery; we understand that often our very young pupils may have one pair of good leather shoes.

Please refer to the separate sheet for Pre-Prep games kit.
